

The Cymru'n Cofio, Wales Remembers, final publication recording many of the activities staged across Wales to remember the men and women of Wales who served in the First World War is now available digitally at the link below. No fewer than 11 of the articles in the publication were generated by the activities of the RWF Museum during the Centenary or are about Royal Welchmen who served. The Museum is hugely proud of our contribution to the Centenary commemorations ensuring that the service and sacrifice of all Royal Welchmen is not forgotten.
